Dear Parents/Guardians,

Assessment is an integral part of the learning process. By gathering quantitative and qualitative information on our students' progress and development, we help our students become self-directed learners.

For our graduating cohort, we will be preparing them for the national exams in accordance with the syllabus which can be found on the SEAB website. Here is a summary of the approximate times in the year in which your child will be taking the various school-based weighted assessments and examinations in the lead up to the national examinations.
