A Community of Lifelong Learners, Future-Ready Leaders & Active Citizens

15 September 2025

Dear Parents/Guardians,

Term 3 has flown by quickly and we are now in the final term of the year. Over the past few months, we saw our students grow through a variety of experiences - from our Sec 1 cohort camp to our SG60 festivities. These vibrant opportunities have enabled them to discover their strengths, work with others, and contribute meaningfully to our community.

Do take a moment to view highlights of these events on our Facebook page: <https://www.facebook.com/loyangviewss/>

A. Term 4 Calendar of Events

Please refer to *Annex A* for the updated Term 4 Calendar of Events. You may also access the school calendar via our website or Parents Gateway under the “Services” tab. We encourage you to speak with your child/ward about their participation in various school programmes, including CCA activities, which may not be reflected in the calendar.

Although Term 4 is relatively short, it promises to be both enriching and purposeful. Our focus remains on supporting students in their academic pursuits while nurturing their holistic development.

Key highlights/points to note for Term 4:

- **End-of-Year Examination:**
Examinations will be held from 30 September to 9 October 2025. We encourage students to take ownership of their own learning and plan their revision ahead of time. Teachers will continue to offer support through academic programmes, and students may also approach subject teachers for consultation. You may view the examination schedule here: <https://www.loyangviewsec.moe.edu.sg/for-parents/school-examinations/>
- **Marking Day and Promotion Day:**
Our Marking Day and Promotion Day are on 10 October and 17 October 2025 respectively. Please note that students are **not** required to report to school on these days.
- **Post-Examination Activities:**
The school has planned an exciting array of activities after the completion of the End-of-Year Examinations, which include enrichment workshops under our Applied Learning Programme (ALP), Lifelong Learning Programme (LLP), and programmes in the arts and sciences. Our Secondary 3 students will continue with an extended curriculum programme in preparation for their graduating year.

B. Home-School Partnership

Our students are able to flourish due to the strong support and partnership between school and home. We want to take this opportunity to thank you for your ongoing support. In particular, special thanks to our Parent Support Group members who have generously offered their time and effort to make Loyang View a vibrant place where students thrive.

- Parent-Teacher Meeting, 24 October 2025

Parents and guardians are invited to attend our final Parent-Teacher Meeting held on the last day of school, Friday, 24 October from 8.00 a.m. to 4.00 p.m. Form teachers will update you on your child's progress via face-to-face meetings in the school. Each session will last approximately 15 - 20 minutes.

Please book your session through Parents Gateway from 29 September to 9 October. For alternative arrangements if you are unable to make it on the day, feel free to arrange a separate session with the form teacher. For subject-specific concerns, please contact the respective subject teachers via email.

We wish you a wonderful term ahead and a meaningful end of year break with your family!

Should you have any questions, do feel free to contact the school at 6582 1727, or email us at loyangview_ss@moe.edu.sg. Thank you continued support and partnership in the holistic development of your child/ward.

We look forward to receiving your child back in school on Friday, 2 January 2026.

Yours faithfully

Mr Eugene Lin
Principal
